Detail.....

***The Waikato Society of Arts is a private organization, it does not receive teacher aide funding for students with learning disabilities. The director must be informed before class starts of your child/students needs. If your child/student is unable to learn independently then teacher aide hours must be funded by you.**

Children's classes' behaviour and consequences

All children have the right to learn in a positive environment, and not be disrupted by others; therefore we have the following system in place. Any disruptive behaviour shown by children in the class results in three warnings from the tutor. If behaviour does not improve then the parent or guardian is contacted.

The Code of practice is available on the notice board in the school.
